

From the Club

Congratulations!

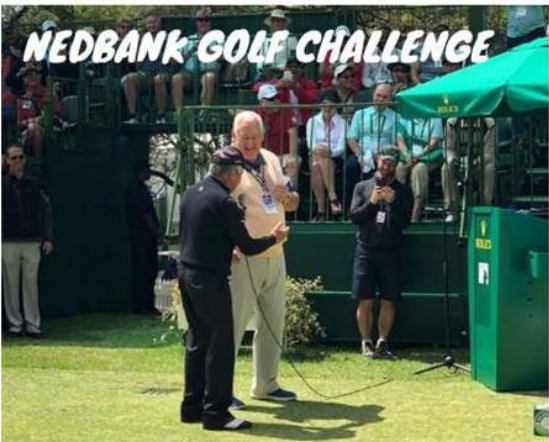

Zwartkop Country Club has been voted by residents of the capital city as the BEST GOLF COURSE in this year's 17th year of the official Pretoria News Readers' Choice Best of the Best in Pretoria awards.

We appreciate all the support from the Readers and look forward welcoming you all to Zwartkop.

Nedbank Golf Challenge

What a fantastic, riveting golfing weekend. We bet you were all glued to your TV's watching three of the World's top golfers battle it out. It was another great event put on by Sun International and Nedbank.

Two of our members - **Corne Basson** and **Gary Willemse** were lucky enough to play in the pro am – that must have been a great experience. Corne played with **Matthew Southgate** and Gary played with **Adrian Otaegui**.

Hole more putts

Take advantage of birdie opportunities

Matching the loft of your putter to your technique is critical in becoming a consistent putter and therefore seeing more putts drop. Having the incorrect loft will negatively impact many factors such as launch off the putter face, spin imparted on the ball and overall roll on the green.

Player with incorrect putter loft

Player fitted for correct putter loft

If the ball launches too high with too much spin it causes the ball to bounce. Likewise, if the ball launches too low it causes the ball to dig into the ground and hop. Both of these impacts negatively on distance control and accuracy (3-putts and shorter misses).

You'll create a smooth repeatable roll off the clubface, with a true roll found early.

You'll increase your chance of making putts. Your distance control will improve. Fewer putts per round.

That impacts your scorecard.

Does your putter loft match your stroke?

Have you ever seen your putt bounce and just blamed it on the green?

It's time you matched your putter to your game.

Hole more putts now.

Technology with real impact

Srixon Z 785 and Z 585 Drivers

The new Srixon Z 785 and Z 585 both come with real performance improvements.
We think these will make a big difference for many of our golfer's.

Here's why >

Play more golf

Start anywhere with the family

If you're looking for a great family bonding session, then there's a great way to use golf over 2 hours and 9 holes.
Let everyone play the course in a way they can enjoy it.

If you're the expert, then tee off from the front tees. Male or female, place the emphasis on being in play. You're not showing off how far you hit it. (By the way, quietly check if your percentage of fairways hit has improved, if you club down to fairway or hybrid).

Let your non-golfers, or inexperienced golfers, tee off from where they like. If they've never played golf, or have just started learning, we'd suggest 50 yards from the green. There's no point having non-golfers hit from bunkers. Let them throw it out. This isn't competitive. Make it a family better-ball score.

Get an introduction to golf

If, together with some friends and their family, you'd like your non-golfers to get a sound introduction to the game first, then let us give them an introductory lesson for an hour. What a great gift!

We promise to make it fun, especially for children.

Cleveland Golf RTX4 Wedges

The new Cleveland Golf RTX4 Wedges deliver ball-stopping spin and control, along with designs that offer you options.

If you haven't upgraded your wedge set in a while, the Cleveland Golf RTX4 Wedges and the number of options they offer you greenside should be an inspiration to improve your short game.
