## HNA Handicap Changes from 1st October

You should have received an email from Handicaps Network Africa with Phase 1 of the Handicap changes that come into play from today. If you didn't receive their mail make sure you read everything to need to know [here](#).

Please remember the following:

1. If you are using the HNA phone App, please update it so that it is compatible with the new GolfRSA Handicap Rules, effective today.
2. Remember to make sure your round is Registered/Opened on the system prior to play. If it has not been opened by the Club, you can Open/Register the round on the system using your phone App or the Club Terminal before you play.
3. You have to register/open a round on the system before you can enter a score. If you

have already played the round and wish to enter a score, you still need to register/open the round first before entering the score.

4. There is a new 24-hour maximum time limit to enter a score, after which you will incur a penalty. The 24 hours starts from 23h00 on the day of play to 23h00 the following day.

Handicap changes include:

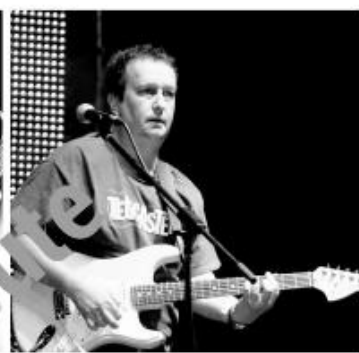

1. Maximum Score - Net Double Bogey
2. Average of the best 8 Differentials of the last 20 Rounds.
3. Exceptional Score Changed
4. 9-Hole Course Handicap and revised 9-Hole calculation
5. All Match Play scores must be entered into the Handicap System

## We're delaying our NO PLACING rule

We were due to implement **no placing** from today but having had no rain whatsoever, we have decided to postpone this for now. Once we have had rain and the fairways are in better shape, we will bring the rule into play.

Well played Riaan...

**Riaan Janse van Rensburg** played a round at Akasia on the 12th. On the par 4, 17th hole he made a 2. On the par 5, 18th he made another 2. The very next day playing back at Zwartkop he made a 3 on the 1st hole, his first hole of the day. So in 3 "consecutive" holes he went eagle-albratross-eagle!

## Books in the Golf library...

We have a copy of **Graeme Joffe's** controversial book, called "*Sport: Greed & Betrayal*", in our library. We also have *The 15th Club* by **Hannes Wessels** which tells the story of the history of the wonderful golfers that came out of Zimbabwe – Denis Hutchinson, Simon Hobday, Nick Price, Mark McNulty, Tony Johnstone and many others. If you are a Zimbo, this is a must-read. Chat to the guys in the golf shop about taking these and other books out to read.

## Spotted...by Neil Ebedes

Someone in the clubhouse said *"nothing lives in that water!"* but on my customary walk yesterday (23rd Sept), the following interesting birds were seen in or around the river – a Yellow-billed Duck – in the river; a Cape Wagtail – in the river; a Common Moorhen – In the river; a Reed Cormorant (On our list but never photographed (by me) at Zwartkop. Perched on a branch over the river. Very good sighting for us. Normally associated with fresh water rivers or dams.), Southern Masked-weaver - over the river. Previously ticked but not photographed. Building nests) and a Spotted Thick-knee - Seen near the 4th on the LHS...

Jokers Wild Draw

Herman Dippenaar won **R2012** on Friday but the Joker is still in hifing - and probably laughing at u!

Don't miss out on standing a chance to win it!
