#### ZCC Matchplay...from Chris Delport

This weekend the match play championships were held for the A, B, C and Senior Divisions. The first round winners on Saturday went through to the Championship pools whilst the losers went into the Plate Division. After a gruelling 3 rounds, the finals were contested by:

**Seniors:** Corne Basson played against Almero Meyer and Corne beat Almero 3/2 to achieve the double by winning both the Senior stroke play and match play championship. The Plate was won by Nico Westraad.

**C Division:** This was won by Leon Fowler who also achieved the double, winning the C Division stroke play and match play champs.

**B Division:** This Division was won by Johan du Plessis who beat Donald Dykman. The Plate was won by Juan Oosthuizen.

A Division: Brent Goddard played Tian vd Berg in the finals and it was a tight affair as they were both level par after 9 holes. They halved the 10th in pars, and then the past Champion cut loose to birdie 11, par 12, and birdied both 13 and 14 to eventually win 5/3. The Plate was won by Michael Brown.

I want to thank the course staff for the excellent condition of the greens, the golf shop staff and Sharon Bruyns for their assistance. But most importantly the players that participated, as without you this event could not be the success it was.

### Could you save 5 shots per round?

#### Fraction of an inch and a matter of degrees

If you want to be a better putter; to become deadly within 12 feet; then become a fanatic about your setup and posture at address.

Remember, if your face angle is just 2° out, from just 6 feet you're already going to miss. Every one of you can invest some effort into setting up with the putter face square to the target line.

A setup with your eyes inside, or outside the golf ball, makes it much more difficult to aim correctly. That might mean you're square to the wrong target line.

Most putters are 35" in length and that leads many golfers to stand too upright forcing their eyes inside the line of the ball.

#### Get a check-up

Improving your ability to square the putter face at impact will likely take up to 5 shots off your scorecard. There are some simple keys to that improvement. Setup and putter are part of that equation. So come and see us.

# **Enjoy the journey**

Golf and fitness have a lot of similarities especially when it comes to reaching for goals.

For instance most people will describe their fitness goal as something like: "I want to lose weight". But, for most, "losing weight" isn't enough motivation to either start, or

complete the journey.

You need to think through WHY you want to lose weight. What is the emotional experience you want to enjoy or pain you want to remove by losing weight. If you want to travel the journey to less weight that's what you need to connect to.

It's the same with golf.

Lowering your handicap is rarely enough motivation to be better.

Why would you want to be better?
What joy would you like to experience?
What pain would you like to remove?

#### Start a journey

Come and share your hopes and fears with us. Let us help you with an assessment that helps us guide you on a journey to overcome the challenges of golf, and gain more of the amazing rewards this game offers. Decide to start a new journey now. Let's go to better together.
