The Junior Masters is under way...

It's great to see so many Juniors taking part in the Junior Masters. Little do they know that this is the breeding ground for a lifelong love of the game and the making of friends for life!

Yesterday they played a Par 3 Challenge prior to the main competition and that was won by Juan Oosthuizen on 2-under par. Well done to Damian Ehler, our youngest competitor at just 5 years old!

**April is going to be great fun at Zwartkop...**

In Masters week (11th to 14th April) we'll have fun competitions with prizes from the Masters. There are two public holidays so you can get in some extra golf – Fri, 19th April is Good Friday and Mon, 22nd April is Family Day – we're happy for you to make a Family Day of it on the course!

**Practice with Purpose...**

Club Champs is looming... Join Elsabe and Justin every Wednesday from 12h30 to 13h30 in April as their Practice Club focuses on short-iron play.

## Your fitting survey

Don't neglect your options

We'd like you to give us 3 minutes of your time to complete a survey that will allow us to provide you with a better and more personal service. With your individual responses, we get a much better idea of how we can help you. This is a win-win survey.

[Give us your answers now >](#)

Too many golfers carry clubs in their bags  
they very rarely use and then don't have  
clubs  
they'd use on at least a third of the holes (if  
they were in the bag).  
How many wedges do you carry?

And while we're on the subject of clubs used on every hole; most golfers play with a putter that has a shaft length that was probably never validated as being the right length for them.

Was your putter fitted or was it trial and error?

**Fill in your survey**

That's why we'd like you to complete this survey and let us know what's most important to you and your playing experience.

[Complete now >](#)

**You want it now**

Are you one of the many with a handicap between 12 and 17 who could easily be single figures if only you had a better short game? Let's see.

## The Par 3 Advantage

### Knowing how to use hybrids

The hybrid was invented to provide regular golfers with distance and consistency with longer shots. More forgiving and easier to use.

But we've picked up a lot of uncertainty amongst golfers on how to use hybrids. From the fairway, is it played like an iron or a fairway wood? And, is it the same when you tee up the ball?

You'll find a lot of Par 3's that are in the long iron/hybrid distance area. It's deliberate. On at least one or more of the holes the course designer wants to test the longer end of your approach-shot-bag. Make your hybrids your favourite clubs by learning how to use a hybrid from the tee and the fairway. It changes the game.

### Make Par 3 improvement a priority

Technique matters. It helps to make your playing experience as enjoyable as possible. Golf becomes more fun. Be proud of your technique. Be as good as you can be.
