From the Club

It's a perfect day for golf at Zwartkop!

While the rain last week played havoc with most of the country, we were blessed as it came just after hollowtining, which has been great for the recovery of the greens and even better for the fairways in advance of Club Champs.

2019 Club Championship – 11th & 18th May

Get your entries in for Club Champs - it's over two Saturday's so it's just like playing your regular Saturday game!

Members without a player's card pay R600 and Members with a players card pay R260, which includes green fees for two rounds; a goody bag for each player; a cap; Half-way (boerewors roll and cold drink on each day) and a voucher for a pizza for each 3-ball after the second round (18th May).

[Click here](#) for all the details & the Entry Form - and then call or email the Golf Shop on (012) 654-1144 / golfshop@zwartkopcc.co.za.

Vusi's Golf Day - Friday 10th May

Vusi needs your support for his golf day – please enter a four-ball! Golf will be followed by a prizegiving, light dinner and live music. Call the golf shop on Tel **(012) 654 1144** or email sharon@zwartkopcc.co.za.

Guy Buttery gave us a masterful performance on the green on Sunday afternoon – if you missed it, you missed out!

Here's **Theuns Taljaard** who won the **Meat Competition** during Masters week, with his prize of a Masters flag & cap, which arrived from the USA last week.

If you remember, Theuns has randomly drawn Jason Day as his Masters partner, which meant he got to add 38 points (Jason's par three competition score) to his own Meat Day score.

Just a reminder that we have an Alliance between ourselves; Waterkloof and Wingate, which allows you to play at their courses at member's rates. Please do remember to follow the rules when using the Alliance:

- Bookings can only be made by our Golf Shop staff so contact Ian, Joseph, Vusi or Johan and they will make the booking on your behalf. Please do not arrive at Wingate or Waterkloof without an advance booking having been made by our staff!
- Bookings are subject to availability and can only be made one week in advance for games Monday to Friday and Sunday.
- Bookings for Saturday afternoons can only be made the day before.
- Saturday mornings are excluded from the arrangement.

Product of the Week

Come into the Golf Shop to check out the new **Callaway Golf Gloves** we have in stock!

Golf tip of the week

Let us help you play better golf...

This week Elsabe gives you advice on playing a 50-metre bunker shot from the bunker on the 18th hole.

Everyone wants forgiveness

The very best ball strikers too

The lower your handicap, the less space you have for error. So wouldn't it be nice to have a little forgiveness built into your game? But, first we know you don't want to compromise some key features:

Smaller profile

You want control over ball flight, so the profile of the club is smaller. The CoG is higher and closer to the face.

Forged

It's likely you want to "feel" the ball off the face and enjoy a great response through your hands. Incidentally, these clubs also provide a really nice sound on contact.

No offset

You have no trouble squaring the face so the shaft and clubface line up.

The great news is that the hitting zone has been extended on many better 2018 and 2019 Players Iron models to accommodate slight miss-hits towards the heel or toe. Ball speed is protected, and the distance the ball will travel is unchanged. That's a critical part of the accuracy a low handicap golfer must have.

Small change; Big improvement

Play the perfect partnership

Exploit the advantages technology is giving you, especially if you have little room for error in your round. But, don't neglect the biggest advantage: Get fitted for a setup that makes it easier to hit the perfect golf shot.

Knock it down. Knock it close.

Simple

SENSE

If we asked you to stand 20 metres from this bucket and use an under-arm throw to get a golf ball in the bucket, would you use a lower trajectory (a) or a higher trajectory (b)?

Almost everyone correctly tackles this challenge by using a lower trajectory.

So why do most amateur golfers try and hit wedge shots as high as possible?

Knock it close with your wedge

Watch the golf on TV and you'll see Professionals hitting wedge shots mostly with a lower trajectory. They create a ton of spin. It makes it much easier for them to control distance. It makes it easier to be accurate. Time to learn a new skill?
