Don't miss out on next week's Valentine's Picnic

Friday 14th February is not the same without our annual romantic picnic under the stars. We'll have a lamb on the spit for main course but you will still receive a picnic basket filled with scrumptious starters, sides and desserts.

A romantic-themed advertisement for a Valentine's picnic. The background is a deep red with soft, out-of-focus bokeh lights. In the foreground, two wine glasses filled with a golden liquid are on the left. A large, vibrant red rose sits on a white plate in the center. To the right, a silver fork and knife are laid out on a red surface. The text is written in a mix of elegant script and clean sans-serif fonts.
