

## Dave went home last Friday a Tag Heuer watch richer!

Eleven of the festive season Nearest the Pin winners joined us last Friday for a chip-out on the 18th green. It was a joyous affair as the crowd erupted in a roaring cheer, when **Dave** hit his shot to within inches of the cup. He went home with a **Tag Heuer watch**, valued at R25 000!

*Congratulations Dave, you showed us how it's done*

## This week's Heros...

**Karen Graaff** broke 50, for the first time, in a nine-hole round with Debbie du Plessis. She has made slow, but steady progress, after working hard on improving her game. She attends Practice Club as well as the Adult Group classes with Justin Godfrey and Elsabe Hefer.

*We knew you could do it, Karen Graaff*

Elsabe Hefer and Justin Godfrey are responsible for the coaching at Zwartkop. Get in touch with them for advice on your game.

## Unlock extra distance

Driver hitting zones have become larger to better forgive off-centre strikes. But there's an even more important zone that affects your distance. It's the one at which launch angle and spin rate are just right for YOUR swing speed.

Should you be launching it higher or lower? Let's find out.

**Come chat to us >**

Faster swings generally require a lower launch angle with less spin. While slower swings are generally better off with a higher launch and more spin to keep the ball airborne for longer.

### **No metre untapped**

When we know your swing and launch characteristics, we can set you up with a loft and shaft that helps you generate just the right amount of spin and launch. Get every metre you're capable of.

# Four reasons why

Fast-paced  
*this isn't*

We know that, in a fast-paced, digital, order-it-now-and-have-it-delivered-instantly-world, an online survey might be the quickest way to learn more about our golfers, but “fast” isn’t what’s important.

---

*Our world is about connecting with real people, not an avatar. It's about “shared discovery” and “conversation”, not a report of responses. Getting to know each other allows us to identify what's most important to you, whether it's a new playing partner, an introduction to a group, or a way to keep the ball in play.*

**Want to play 9 with us?**

If you'd like us to reach out and see if we can schedule 9 holes with you (and perhaps a couple of other members),  
then please let us know.

**Srixon Q-STAR TOUR**  
Connect with us >

**The Pros may have the swing, but you have the new Q-STAR TOUR.**

How do you give less aggressive swings more ball speed and distance off the tee, yet soft feel and spin around the greens? Srixon has created their best solution yet with the new Q-STAR TOUR golf ball.
