

We are looking on the brighter side

It's Day 5 and I am sure that just like us, you've been busy spring cleaning your house, and getting to that much needed and long-ignored maintenance. I am also certain that you are taking this time to rest and connect with your family and friends.

Businesses will need to be rebuilt after this. However, in the meantime, we need to try stay positive, and make sure that we use this time wisely to reconnect with the things that are really important in our lives.

As it was mentioned in Golf Chat yesterday, golf courses in South Africa have been given permission, by the Government, to continue with their essential maintenance, during this time. This means that we have a skeleton staff available, who are taking care of cutting the trees, greens, fairways, rough, as well as watering the course. We have no doubt that the course will be looking beautiful and ready for you, once the lockdown period comes to an end.

Thank you to our Team of Heros

Dale's video

In case you missed this video in yesterday's Golf Chat, it tells an amazing golf story about a man who was a prisoner of war – check it out below.

How about a snippet of Zwartkop history?

Below, Dale tells you about the **Gary Player/Jack Nicklaus Exhibition Match**, which was held at Zwartkop in 1965.

You can still practice your golf at home!

Elsabe and Justin have done some videos to help you keep up with some golf drills at home. In this video Elsabe looks at golfers who have **“over the top” swings**.

We have set up a Caddie Fund

The Club has always had its employees and Caddies' interest at heart. We are doing our very best to take care of them, during this time.

The Club will be assisting our Caddies financially, to some extent, and have already collected some donations from our Members who were willing to contribute. If you would like to make a donation towards this initiative – it would

be greatly appreciated.

Please make a deposit into the Club's bank account with the reference: **CADDIES - COVID19**.
