

Johannes Nkwana and his staff are green machines

We had a lot of rain on Friday and Saturday. While the river came up on Saturday evening, it only affected three greens. We are incredibly fortunate to have gotten the permission to keep our essential maintenance crew on the course during lockdown.

You can probably imagine the irreparable damage that would have been done to our, as well as other golf club's greens, if no staff were allowed to attend to the affected greens.

Once again, we would like to thank our Greenkeeper, **Johannes Nkwana**, and the other staff members who are staying on the property to look after the golf course.
