Another two weeks without golf

Having no people on the golf course for 5 weeks does have its advantages, such as no divots or ball marks on the greens. However, it does come at a great cost. Having no income for over a month is very difficult. This next year is going to be all about survival. I have no doubt that we will get through this, thanks to every one of you – our loyal Zwartkop members.

Our President has decided to extend the lockdown until the 30th of April 2020. This means that if all goes as planned, the Club will be re-open for play from the 1st of May 2020, which is a public holiday. Bookings will open for members, this Friday, so please book early to avoid being disappointed. Also, please remember that from the 1st of May, we will be changing over to our winter tee-off times, so the fields will be slightly smaller.

Here are some photos of the golf course to keep you inspired and motivated to practise more – we look forward to seeing you soon!
