

Congrats to the Scratch League

The bad news is that thanks to COVID 19, Round 4 as well as the Final of the Senior Scratch League 2020 has been cancelled. However, there is no need to fear because the good news is that Zwartkop was declared the winners as they were top of the table!

Well done guys – it's their second year in a row, and their fifth win in the last eight years!

Online bookings open tomorrow

This may feel like déjà vu, but we are confident that we will open on the 1st of May – which is in fact a public holiday!

Online bookings will be open to members from tomorrow onwards, so please make sure you get your booking in. Please remember that from the **1st of May 2020**, we will be changing over to our winter tee-off times, and the fields will be slightly smaller to ensure that everyone finishes their game before the sun sets.

Please follow these easy steps if you haven't booked online before:

Step 1 – [Click here](#) to access the Tee Sheet

Step 2 – If you haven't already registered to book online, please do so now

Step 3 – Log in to the system

Step 4 – Choose the date you would like to book for, and enter your details

Step 5 – You will receive an automated email, confirming your booking

Here's something to get you motivated...Club Champs...

Keep your game sharp with home practice

It turns out that it was a good decision to leave our **Men's and Ladies Club Champs on the 16th and 17th of May 2020**. The course is looking lovely, especially the greens, which have no ball marks. They are spectacular!

I'm sure the weather will play its part as we are planning the most festive Champs in the history of Zwartkop. Golf will just be one part of it – the Après Golf will be remembered long after your scores are forgotten!

- **A Division:** (HI 6.0 & under for Men and 6.5 & under for Ladies): Stroke play
- **B Division:** (HI 6.1 – 14.9 for Men and 6.6 – 15.3 for Ladies): Stroke play
- **C Division:** (HI 15.0 upwards for Men and 15.4 – 36.0 for Ladies): I.S.

Please note that the Senior and Junior Club Champs will be played on a later date.

Remember, it's taking place only two weeks after we re-open, so sign up now! You will be able to view all the details in the attached document, which also serves as your [entry form](#).

We have kept the entry fee the same as last year, and Sharon will be at the Club on 1st, 2nd and 3rd of May 2020 to assist with any queries you may have. She is also taking entries and enquiries on sharon@zwartkopcc.co.za.

The Bushnell Wingman GPS

Unfortunately, The Wingman has not been released yet. However, the good news is that we should have the hottest product in golf, shortly after the lockdown ends. At the PGA Show in Orlando this year this was, in my opinion, the most interesting new product.

What's so fancy about a bluetooth speaker, you may ask? Well, it's not just a powerful bluetooth speaker. It also has the following great features:

- **Strong Magnet** for attaching the speaker to your golf cart
- **Touch GPS button** for exact distances to the green
- Need to charge other devices? Well, it also has a **charging port**
- **Connect to a Bushnell app** with various other features

[Click here](#) for more information on this fantastic product. For pre-orders, please email ian@zwartkopcc.co.za. The price is around **R3999**.

Make it a crazy good year

If you're shooting in the 90s then what if it took less than 20 hours of learning, practice, and feedback to get into the 80s?

~~10,000
Hour Rule~~

The 20
Hour Plan

If we can help you sharpen just 4 skills: the half-wedge shot; the short pitch; the chip; and the greenside bunker shot, you could be turning double bogeys into bogeys or pars. You won't be spoiling holes or frustrating yourself when you've been in a solid position.

"There's a real power to standing within 50 yards of the flag and knowing you're in control. And it's intimidating for anyone you're playing against. More importantly you walk off more greens with a real feeling of satisfaction."

Is there a plan for you?

Let's have a conversation. We can start it by phone if required. But let's start. Would an improvement in your short-game deliver you the biggest improvement in enjoyment and quiet satisfaction this year? It's been a troubled start, but let's plan to start out on a great journey. Come on...

To make square contact with the ball, you must have the sole square to the turf at impact. Simple equation, with a simple process that so many ignore.
