

Thanks to Barry and you, our loyal Zwartkop members

This has been a tough few months for Zwartkop. In the last five months we have lost a full 2 months of trading thanks to two floods and Covid-19.

This is obviously very frustrating for our members who are itching to get back to playing golf, but it's also devastating for the financial well-being of the Club. We ask you to please support us when you are allowed back onto the golf course.

Barry Engelbrecht is a great example of the kind of support we get from our members.

Always a pleasure and never a chore being a part of and supporting the Hayes family and my home of golf. I genuinely hope all members band together and submit their subs amidst these telling times and keep ZCC afloat.

Thanks Barry, you have no idea what this means to us! We are holding our thumbs and toes that we will see you gracing our fairways, by the end of next week.

In the meantime, here's a reminder of why you are a member at Zwartkop:

We aim to offer all golfers a fun, warm and friendly atmosphere while exceeding their expectations – and of course, it's always a perfect day for golf at Zwartkop!

1. We want to be your home-away from home.
2. The place where you and your whole family feel comfortable and that you belong.
3. The place you come to relax, to have fun, to be with friends – or to make new friends.
4. The place you enjoy playing golf, not because you played great but because of who you were with and where you were playing.
5. The place you can rely on for assistance in achieving your golfing goals.
6. The place you come to get the expert advice on all things golf – the game, the equipment, the rules.
7. The place you come to for golf, gym, practice, the hair and beauty salon or good food and entertainment.
8. The place that offers you reciprocity at our neighbouring clubs: Waterkloof and Wingate.

If you take away golf clubs that restrict visitors and corporate events, I don't believe there is a club that has more member rounds of golf than we do. Last year, 70% of our rounds were played by members.

Thank you to each and every one of you – **it is you that makes Zwartkop a great club to be a member at.**

Another loyal member, who is always fondly remembered, is **Brigadier Bayman**. He was a member at Zwartkop for many years. When he was well into his nineties, he was still buying a playing card every year!

Unfortunately, one year he took a bad turn, and during one of his rounds he passed out on the 9th green. After that, his daughter didn't allow him to play golf. We offered him the free use of a golf cart for the rest of his life, but he refused, saying: "If I can't walk, I can't play." His daughter wouldn't allow him to walk, and so he had to give it up. He did continue to visit the Club for a short while after, but sadly passed away not long after.
