May and our Caddies

We were overwhelmed by the messages received for May. He truly was a very special man and will be missed by us all.

Dear Zwartkop team,

It is both with sadness and regret that some of us read of the passing of May, our caddie Master earlier today. May had the utmost respect for all of us and I especially shared a special bond with him, May always referring to me as "my favourite". Nothing was too much trouble for him. When I brought my daughter Sashka for Saturday lessons he affectionately referred to her as "Lollipop".

It is a shock especially for me. We will miss you May RIP!
