

A massive thank you to all our members for the amazing support we have received since we opened. It's been great seeing all of you walking the fairways and also wonderful to see so many juniors out on the golf course.

Also, thanks for your patience with all the new rules. Even though some of them do not make a huge amount of sense, it's good to see you wearing masks, social distancing and sanitising – if we just do that it will help tremendously.

I know we've had members who haven't been able to get tee-off times on Saturdays, which is due to the following 3 factors:

1. During winter we obviously have less day light therefore less tee off times.
2. The COVID Proposal to government called for bigger intervals between tee times which meant we lost times.
3. The one-tee start at the beginning also cost us tee off times.

These three factors meant we weren't able to accommodate nearly as many members as we were doing in March but fortunately we have already been able to revert to a two tee start so that's helping.

Stay safe!
