

## Spring has almost sprung!

Hopefully last week was our last cold snap and Summer is just around the corner. We've already seen the trees shooting leaves and the fairways have a definite green tinge to them.

Just a reminder that we change over to Summer tee times on the **1st September**, and as mentioned last week, we will be moving to **9-minute intervals**.

Many of you are now working from home, so you have saved anywhere from **60 – 120 minutes** a day in time. We have come up with 5 ideas that you can do with that time:

- **Golf Lesson** – all this will take is 30 minutes (and I'm certain Elsabe Hefer, as PGA Coach, will get you hitting better shots). That means lower scores and more fun.
- **Assessment** – a general check-up of both your overall golf game and your equipment.
- **9-Holes** – there's no better way to start or finish your day, than with 9-holes.
- **Pitch and Putter Mashie** – this is terrific for kids starting out, as well as elderly golfers who don't like the long walks. The other big plus, is that you are playing all the shots that will improve your scoring.
- **Practice Club** – improve your golf with others, under the watchful eye of Elsabe Hefer. This is a relaxed and fun way to improve your golf and resumes in September.

## Pitch and Putter Mashie Course

Just a reminder that we will introduce a nominal "green fee charge" for using the Pitch and Putter Mashie Course from the 1st September. **R30 for Juniors** and **R50 for adults** is payable in the Golf Shop and your ticket must be handed in to the starter on the 10th tee.

## Join in the Pitch and Putter Challenge

*between 27th–30th August 2020*

- **R100 round** (you can enter as often as you like) and you get a sleeve of Srixon Golf Balls.
- **You play off 40%** of your normal course handicap and you play Medal.
- Your scorecard goes into the box in the Golf Shop and must be signed by both the player and a marker.
- **1st prize** – KWV 10 year old 5L and **2nd prize:** Glenbrynth and cap plus lucky draws from Beyerskloof, Cleveland

and LAvenir.

## “Uncut” Fairways

We go well behind the scenes today with **Alison Hayes** in our “uncut” staff video clips, to get you some secrets about Dale that should possibly be kept private.

## Cleveland Wedge Demo Day

*Thursday, 27th August 2020*

Don't forget to pop in on Thursday at our **Cleveland Wedge Demo Day**. This is the perfect opportunity for you to take your game to the next level.

## Wine Raffle Draw

Congrats to **Kevin Robertson** who was drawn by our Chairman, **Jannie Venter**, as the winner of the Wine Raffle Draw.

## 2021 League

In line with GolfRSA and GNGU's Transformation Process, from 2021 all League Teams are required to have representation by players of colour. We are in need of one player of colour for **80% of matches** played and will get docked a point for every match that we are unable to make this happen. We have to commit to entering teams into the League by **15th September**. We welcome any indication from players if they would be interested in participating. Feel free to chat to Dale or Joseph in the Golf Shop, or to Chris Delport, Francois Anderson and Joey Hayes.

## Target Score

Target Score is a platform where golfers buy a “target score” for their next club competition or official competition. You don’t have to beat any other players—only match or better your Target Score in your club or official competition!

The players enter with their cell phone number and pay via **Payfast** on [www.golfsurprise.com](http://www.golfsurprise.com). Players will then receive their target score for the date selected. If players better or equal the score on the day, they have **24 hours** to claim their prize on the target score platform.

Winners will be able to collect a voucher from their home club which needs to be spent in the Golf Shop. [Click here](#) for more information.
