Cleveland Wedge Demo Day today!

Uncut Fairways

Today's "uncut" staff video clip is with our Greenkeeper, **Johannes Nkwana**. He's passionate about golf courses, and we hilariously wondered if the video might help him find wife. Check it out below.

Speaking of Johannes – he's been hard at work over the last week, pruning more trees, sodding the 4th fairway and cleaning the river.

We need to get some more grass to finish off the 8th and 18th fairways, but think they have done a great job so far. We hear there could be a chance of rain early next week and that will be exactly what the course needs.

Pitch & Putter Challenge

Don't forget to join in the Pitch & Putter Challenge which starts today **until the 30th August**. There are great prizes up for grabs!

- R100/round (you can enter as often as you like) and you get a sleeve of Srixon golf balls.
- You play off **40%** of your normal course handicap and you play Medal.
- Your scorecard goes into the box in the Golf Shop, and must be signed by both player and a marker.
- **1st prize** – KWV 10-year-old 5L.
- **2nd prize** – Glenbrynth and cap.
- Plus, lucky draws from **Beyerskloof, Cleveland** and **LAvenir**.

Loft 'n' roll

Time to test your distance control

Your putting stroke changes the dynamic loft of your putt at impact. Too much, and your ball hops and bounces after impact. Too little, and your ball skids excessively after impact. Neither situation is good for distance control.

We want you to do a little challenge to see if your loft could be playing havoc with your distance control.

Take the 50-foot challenge >

Sink more putts

Your putting stroke could be metronomic perfection, but if your putter loft doesn't match that stroke, you're going to struggle for consistency. Whether it's your stroke that needs work, or your putter that needs adjusting, or both, we're here to help you.

Come for an assessment >

It's playtime

A fun way to improve your wedge play.

There's nothing like some healthy, fun competition to develop your skills. That's why we love the par-18 challenge.

It's the perfect way to make short-game practice time with a friend or family member more fun and effective.

Place 9 balls at different spots around the green. 3 test your chip and run skills. 3 test your greenside bunker skills. 3 test your short pitch shots. With each skill, there's an easy, medium, and hard test. Make sure you putt out competitively and keep score, as this should also put pressure on your putting technique and ability.

How close can you get to 18?

Are you hitting it close enough, but not sinking putts? Or are you way off target with your wedges and giving yourself too much to do with the putter? Let's schedule some time at the practice green together and get you closer to 18.

Sharpen your short game >
