## Step out and enjoy

Never has our phrase *"It's a Perfect Day for Golf at Zwartkop"* been more apt than right now!

The weather is glorious and it's always uplifting to see the signs of Spring forcing its way through. If you haven't been playing golf, what's stopping you? Get out there and have some fun. Plus, we have live music at the Clubhouse every day from Thursday to Sunday!

## This week's Heroes

*It's all about the ladies this week!*

Congrats to **Lea van der Merwe** who finished second in the 12 – 13 age group in the SA Kids at State Mines last weekend.

Then, we are very excited that a group of our new, young lady golfers will be teeing it up, in Ladies C-Division for Club Champs for the first time ever next week.

One of them is **Karin Graaff**, who shot her lowest score last weekend, of 101! We're looking forward to hearing that you break 100 soon Karin! Keep up with the group lessons with Elsabel!

## Take your game to a whole new level

This week Elsabe advises you on how to use a **left to right fade** off the tee at the 14th.

## Your scoring zone

*Are you giving yourself a chance?*

How big is the loft gap between your pitching wedge and your sand wedge? Do you have a wedge for in between? And what do you do when you need more loft than your sand wedge has available? To give yourself a real scoring chance inside 100 metres, you need lofts that give you the right launch angle into the green, whatever the situation.

*Regardless of skill level, carrying 3 to 4 wedges in your bag is going to increase your scoring odds in this zone.*

## Invest in your wedge set

Let's schedule a wedge fitting and make sure you're giving yourself a scoring chance from 100 metres in.
