

## This week's Hero

**Marco Anderson** received a wonderful present from his father a couple of weeks ago – a full set of new Titleist Golf Clubs.

To say that Marco's golf has improved is an understatement. After a fitting session, he received a made-to-order set of Clubs and in the last week he has shot a 64 & 63 gross around Zwartkop. Now that's what I call a victory.

*Well done Marco. We are so proud of you!*

## Finding the perfect fit

Here are six things to remember and why Custom Fitting will help **lower your scores**:

1. You can choose from a wide range of brands and models.
2. Each brand has different specs; a regular shaft in one may be a stiff shaft in another.
3. The fitting process will help you to understand your own golf swing.
4. A set of clubs that are fitted for your swing and build will help you no matter what your handicap is.
5. The club length, lie, weight, shaft flex and grip size will be checked to suit you.
6. It's not more expensive to get custom fitted.

## Junior Mystery Challenge

Our Juniors played in a fun Mystery Challenge over the last two days. Congrats to **Mikhail Morar**, **Ame' van der Merwe** and **Mikayla Lira** who won the Individual Stableford competitions, as well as to **Thomas Muller**, who won the Mystery Challenge.

## The gift of “we” time

We want to help you enjoy some really social, enjoyable, fun time together. We also want to create a movement encouraging more people to experience golf.

---

*If you have a non-playing partner, we want to help you introduce them to golf. With some coaching and fun-playing formats, we want to have them able to join you out on the golf course. This isn't about competitive golf. It's about having social fun and enjoyment. Creating connections. Being healthy. Having "we" time.*

---

*And, once the world opens up again, golf offers tremendous opportunity to explore the world together. That's extra special "we" time.*

### **A perfect gift for someone**

We're starting a fun, social programme to ease people into the game, out onto the golf course, and into a place full of new social connections and enjoyment. Why not gift a place on that programme, to someone special in your life.
