## Hollow Tining Skills Challenge

We will be hollow tining the golf course next week – **Monday, 18th to Wednesday, 20th**. Hollow Tining is a very necessary annual greens maintenance programme, which aerates and de-thatches the greens. It happens at every golf course, but this is especially important at Zwartkop, where we experience flooding.

[Check out](#) this video which explains why it gets done and the process involved – it is fascinating.

The great news is that while the greens will have holes in them, we won't be using the normal greens. We are going to set up a completely different golf course for you next week. It will be a Greenkeeper's Revenge but a good one. I guarantee you that it will be fun – small greens, big holes, new green positions.

Anyone who plays to their handicap in the Greenkeeper's Revenge next week (Monday to Friday) and scores **36 points** will get a sleeve of **AD333 Tour Yellow Golf Balls**.

Plus, we have an exciting Skills Challenge in store for you to keep you supporting the Club.

Starting at 14h00 daily:

**Wednesday, 20th** – Long Drive Challenge – pay R100 and the longest drive wins R5000

**Thursday, 21st** – Putting Challenge – pay R100 and the best 6-hole score wins R5000

**Friday, 22nd** – Chipping Challenge – pay R100 and the closest chip wins R5000

Please take note of the following:

(1) Subject to a putt-out if more than one have the same result.

(2) For professionals it's a cash prize; for amateurs it's a voucher at the Golf Shop.

## Jokers Wild Draw
