

## Every cloud has a silver lining

No matter what, there is always a silver lining – sometimes we just have to look for it! We spotted this amazing cloud formation above the clubhouse last week.

## Adam talks to us about rain and the river

We have had an unbelievable amount of rain this season, which is showing in the fact that many of our dams are at full capacity. While we need the rain, you know well that it can present problems for us down the river. Check out this video in which Adam explains some of our problems and what we are trying to do about it.

## Our family just got a little wilder

We have spotted some interesting wildlife on the course over the last week – a water monitor near the 10th green and a vervet monkey around the driving range, 1st tee and houses. Please, whatever you do, do not approach the monkey if you come across it and absolutely do not feed it.

Not quite as wild, but still spotted out on the course, a whole bunch of kids took over the 9th fairway during Pizza Night last week. How lucky are we that the kids have space here to play in a safe environment?

Join us for Pizza Night tonight. We suggest you pre-book by sending a WhatsApp to **066-274-1315**.

## Bringing the beats to you

We have also brought back **Live Music**, so if you are looking to escape the house, we can accommodate you for a drink or meal.

## It's time for the Night Race

*Wednesday, 24th February*

We are implementing a staggered start next week. You can start your race anytime between **17h50 and 18h15**. Arrive, register if not already done so online, tap your wristband at the start and make sure you tap your wristband again at the finish to record your time. Your run will earn you Vitality or Multiply points. There will be waterpoints on route and you will have the option to choose between a medal or Legends Gin Iced Tea at the finish.

The results will be live on [www.bouttime.co.za](http://www.bouttime.co.za). No official prizegiving will take place. Podium winners will be handed their prizes if present or can collect their prizes from Run-A-Way Sport.

Please assist us by pre-entering online – visit [www.bouttime.co.za](http://www.bouttime.co.za). It is also compulsory to buy and pre-register a *bouttime wristband timing chip* for a once-off fee of **R100**. (It can be used at all other bouttime events). These are available in the Golf Shop.

# YOUR MOST IMPORTANT SHOT

*Every golf shot during a round is important, but this one sets the tone.*

The fewer shots you can take to get into position for a clear and short approach, the better. That's why your driver is so important. Why not challenge us to add 10 metres to your drive?

[Add 10 metres >](#)

### **Your most important shot requires a serious tool**

*"All driver faces deform inwardly at impact, but Srixon's Rebound Frame is different. Dual flex zones at the toe and heel cause outward flex and make energy transfer far more efficient than other drivers. And it's impact on your game is even greater when it's fitted."*

### **Make this your stock shot**

We want you to feel confident and excited every time you pull your driver. We want you to go further and straighter. Splitting the fairway can become your stock tee shot.

**Make it happen >**

## Distance or feel? **Now you can have both.**

More aggressive swing speeds need a high compression golf ball that delivers distance off the tee without losing any control into the green.

For this type of golfer, we trust the new Srixon Z-STAR XV to provide massive performance gains. Come and pick up a sleeve in the shop and experience the difference it can make to your game.

## *A flying start* **Where the magic happens**

Between 50 and 60% of your shots are from 90 metres in. This is the scoring zone, and the secret to playing better golf and having more fun is here.

- 1) *How many shots does it take you to get into this zone from the tee?*
- 2) *How many shots do you usually take in this zone to get into the hole?*

*"We can use these two phases of each hole to benchmark your game and help you improve."*

**Let's get started >**

## **Break your barriers**

Once we know which phase of your game has the most room for improvement, we can focus our coaching attention there. Let's benchmark your game and set you up to break into a new level of scoring and enjoyment.

**Improve your game >**

shots are
