Champion of Champions

Good luck to our players playing in the regional finals of the Champion of Champions at Zwartkop this Sunday.

Unfortunately our Men's Club Champion, Ruan Jooste has relocated to the Cape and our Ladies Champion recently broke her arm, so both are unable to play, but **Christopher Anderson** and **Dillian Landsberg** will be representing the Men's B & C Divisions and **Melanie Potgieter** will be representing the Women's C Division.

Stars of the Week

Twelve-year old **Lea van der Merwe** broke 80 for the first time in the Junior Order of Merit on Saturday. She shot a 76. Well done Lea!

On Monday we handed over 160 blankets to him for distribution through the West View Methodist Church and on Tuesday he holed-out on the 16th hole. Well done **Mike Louw**!

Course report

If you missed yesterday's Special Mail, make sure you read Dale's Course Report [here](#). It has some information that you will want to read about **the course**.

The game of a lifetime *Safe, healthy, happy children*

When you introduce your child to golf, you're not only giving them the chance to learn a new skill. You're introducing them to a healthy, social and safe outdoor activity that they can enjoy for the rest of their life. You're also giving yourself years of quality time on the fairways with your child. What more could you want?

We'll guide your child every step of the way. From free play and movement ABCs, to social group practice and coaching, to specialisation and the competitive edge. And we do this all in a fun, social environment.

Between 6 and 12 years old, it's important to develop a child's movement ABCs: Agility, Balance, Coordination and Speed. When teaching children golf skills, we also want to make sure they're playing a variety of other sports as well.

Get your children into golf

We want your child to have positive experiences and to fall in love with the game. If you have a child or grandchild, let's get them started on the journey of a lifetime.

So much to admire about this swing
it could be yours

If you've already shown the athletic ability to get to 90 or threaten that score, then it's highly likely that we can help you improve your swing quickly to the point that you're in the low 80s. The question is, how quickly and easily?

Above is a swing that will get you below 85 on a regular basis. Add short-game skills, some feel and control on the green, and good game management, and you'll go a lot lower.

You can Break 85

If that's a golf experience that appeals to you, then please don't wait. Start the journey to hitting even better golf shots.
