

Hopefully, spring will arrive for real this week – or in typical Gauteng-style, we will just skip spring and move straight on to summer. Either way, let's hope we'll be able to pack away the winter woollies once and for all!

The good news is that the days are already getting longer, which means **we have more tee-off times available over the weekends!** We will be officially changing over to summer tee times tomorrow, with the morning fields teeing off from 06h15-08h28 and the afternoon fields from 11h15-13h28.

Entries are now open for the KitKat Group Celebration of Golf!

Get in early and book, as fields for the weekday events are limited to 88 players.

It's going to be fun – great golf, great camaraderie, great food and drinks, and a variety of music in the evenings.

Contact Sharon to book for any of the events – sharon@zwartkopcc.co.za.

In case you don't know the reason for us hosting the Celebration of Golf, while the week has been designed to be fun for the golfers; it will also assist the Club to increase its turnover. This will help us to pay for a few things being done on the golf course, including the installation of a new, and fully automated irrigation system, which will cover all areas of the golf course. This alone will be costing over R5 500 000.00.

We have already done a lot of work on the river. Well over 200 trees along the edges of the river have been pruned and masses of trees and large branches have been removed. This should allow the river to flow more freely.

The sluits that have been dug on the fairways of holes 11, 12, 13, and 17 should also enable any flood water to move off those fairways more quickly.

We have started to fill the dam in front of the 16th green, which is an eyesore, and when it dries up it smells bad. Once it's full, we will be able to grass it so that it becomes a fairway.

We will be fertilising the worst parts of the fairways as soon as we get rain, but we will only start the overseeding programme on the greens once the new water system is in place.
