During the Celebration of golf week we will be offering the following specials:

1. One **5-Year Hole-in-One Membership** (which includes unlimited green fees), per day for R77,000-00. A saving of over R15,000 over the period of 5 years, taking normal annual increases into account.
2. A **1-Year Golf Cart pre-payment** for R18,000. You get to use the golf cart as often as you like. (It includes a golf cart for 2 people, for golf. It is not transferable, not even to other family members and therefore has to be used by the person who purchases the special offer.)

Fore Right!
Take the percentage that matters

If 70% of ball flight is determined by face angle then

THIS IS BETTER

THAN THIS

That's why we want to help more golfers square the face at impact. And part of the diagnosis will be a close examination of your aim and components of your grip.

Likely cause	Tick
Weak Grip	
Gripping the club in the palms	
Incorrect alignment and aim	
Grip size too large	

Become a Fairway Master

Start a journey to having your golf ball in play more often. Get squarer and straighter. Even learn to hit a little draw. Your game will be so much better.

Help them remember

All work and no play

We lose lots of golfers to work commitments. As careers start to take off, many people replace their golf clubs with their laptop. But it doesn't have to be one or the other.

No matter how busy we are, everyone needs an outlet. Lots of people turn to the gym. But golf is a healthy physical activity that is so much more fun and fulfilling than running on a treadmill. And because golf is such a social game, it's perfect for building relationships with coworkers and making new friends.

Get them back into it

Do you have a friend, colleague or family member who's very familiar with work stress, but has forgotten the joy to be experienced out on the fairways? Let's schedule some time at the club together and help them remember.
