Win a Zwartkop Hamper

Have a look at the questions below, name the four professional golfers and stand a chance to win a Zwartkop logo Hamper in a draw worth over R1000!

Player 1:

What European has chosen this event and the Masters for his only major victories, of which he has five in total?

Player 2:

In 1971, this player bagged three major events in a span of only four weeks, concluding with the British Open. Despite a triple bogey on Royal Birkdale's 17th, who is this golfer, who held off attackers to win by two strokes?

Player 3:

With only one major under his belt, this player is more famous for being shut out of several majors by dramatic finishes than for winning them. Who is he?

Player 4:

Behind Harry Vardon, whose first and last wins were 18 years apart, this three-time winner has the second-largest time span between winning British Opens, his wins falling within three separate decades. Who is he?

The hamper includes:

- A Zwartkop logo Swagg Shirt
- A Zwartkop logo Golf Cap
- A Zwartkop logo Coffee Mug
- A Zwartkop logo Wallet

The winner will be announced next Tuesday on the MyHomeClub App.

Stretch for a better game

Your hips don't lie

Strong, flexible muscles can change your game. Tight muscles can ruin it.

When your hip muscles are tight, they limit the rotational force you need for a full, powerful swing. Flexibility in your hip flexors and quads allow for your hips and pelvis to hold the correct posture and proper rotation of your spine and hips.

[Tell me more](#)

Together we can build

To identify where your strengths and weaknesses are, you need to come for a swing assessment. Once we've established a baseline, we can work on strengthening you and improving your game.

[Get me started](#)

Add a HALO to your bag

You can turn challenges into scoring opportunities with the new Cleveland Launcher XL HALO Hybrid.

Break 100

Smallest club, biggest impact

When you're trying to break 100, eliminating three-putts is one of the most impactful improvements you can make. You don't have to hit 180+ metres drives to break 100. The humble putter has the power to take you into the 90s.

You should be spending at least a third of your practice time on putting. And to make the most of that time, make sure you have the right putting setup.

[Check your setup](#)

The average round involves at least 36 putts and – at most – 14 drives. Yet “hitting longer drives” is what most golfers prioritise. Putting better may not seem as exciting as driving further, but it makes a bigger impact on your scorecard.

Try this simple putting assessment

Take ten different 30-foot putts on the practice green and count how many you get to within 3 feet. If too many of your putts finish outside 3 feet, let's get together and change that.

[Remove 3-putts](#)
