From the club

Winter is here!

Wow! The first frost of the season hit us hard last night. Spectacular pictures, but an icy start for those early morning golfers.

You have to love winter on the highveld though. Being on the golf course is the warmest place to be, especially when there's no wind and the sun is shining.

Take control

Tiny tweaks for massive gains

In golf, there's a lot we can't control. Aspects like weather, pin location, hole elevation and turf conditions are what they are. But there is something we can control: how your equipment fits your swing, build and preferences. A few small changes can transform your enjoyment and performance.

Did you know?

If the face alignment on your putter is out by just 1°, you'll likely miss a 10-foot putt, even with accurate aim.

A 0.05 increase in smash factor for a golfer with an average swing speed of 85mph, can add up to 10 metres to their drives.

A fitting is one of the best ways for us to identify the areas of your game that could benefit from slight adjustments. When last were you fitted?

Everyone gains

Skill level is not a determiner of who should get fitted. Every golfer benefits from a fitting, from complete beginner to life-long veteran. Why not experience the difference for yourself?

Fairway, rough or sand; whatever your situation, the new Cleveland CBX ZipCore gives you the confidence to go for the shot.

Golf with family

Strengthen your connection

We live in a world of always-on devices with fast internet connections. This benefits productivity, information flow and entertainment, but it can break down personal connections, especially in the home. If only there was a fun, outdoor game that the whole family could enjoy together... There is! And you already play it.

Golf is one of the best ways for children to develop physically, mentally and socially. It offers a safe outdoors environment for them to learn a new skill.

Ask about junior golf

When your partner also plays golf, you'll have a new shared passion that enables you to spend more quality time together.

Get them into golf

Start someone's golf journey

Golf can be enjoyed by anyone, regardless of age. If you know someone who you think might also like this game, let us know and we'll reach out to them.
