Dale Michler is steadily improving since upgrading his clubs

About six weeks ago I received my new Cleveland XL Launcher Driver and Irons. These clubs were recommended by the guys at Srixon / Cleveland after I had a fitting session with them.

I have found that since using the irons, not only is my ball striking and accuracy improved but my confidence in my overall game has improved too.

The XL LAUNCHER LITE Driver has allowed me to find more fairways than I did before.

These are certainly nice looking clubs and really offer a GOOD VALUE FOR MONEY.

Dale Michler

Star of the week

Well-done to John-George Pringle for winning the Golf Management
Campus 72-Hole Championship on 7-over 291 last week. He won by 6 shots.

Challenge the club captain & head professional

Shawn Rouse and Adam Hayes won the first Challenge Match against Joseph and Francois and that was closely followed by another beating in which Dale Michler and Nicky Joubert won.

Today they are taking on Hein Wijburg and Vusi Mahlangu so you can imagine that bragging rights are seriously up for grabs in this match.

Find a partner and lay down your own Challenge. If you beat the Captain and Pro you will go into a draw (to be done in October) where you could win a special round of golf - and lunch.

Here's what to look forward to
