Get your golf and your body in
sync

Ask Justin Godfrey how he can help you get the most out of your golf.

He is Level 1 Titleist Performance Institute (TPI) certified, and is able to help you improve your golf through a combination of TPI and golf exercises, especially if there is an underlying weakness in your body which is affecting your golf swing.

Contact Justin on 082-925-0236 for details.

Remember to repair your
pitchmarks!

Left for even the shortest time means it takes a lot longer for the greens – and fairway divots to heal.

Par 3 Power Play

Set up more birdie putts

Is a pesky slice or aggravating hook preventing you from finding par 3 greens and setting up birdie chances?

Hit more greens

The unique thing about par 3s is that every tee shot is an opportunity to setup a birdie putt. You have a perfect lie – you can tee it up – and a clear view of the green. But if you struggle with a particular miss – like a slice, pull or hook – you're spending more time attempting tricky up and downs to save par than you are standing over birdie putts.

The good news is that you could be a single swing or setup change away from finding more par 3 greens. It could be simple ball position shift or backswing adjustment that helps you square the clubface. But no matter how simple or complex the fix, whatever it is, we're here to help you find it!

Turn bogeys into birdies

Let's fix your miss so you can approach par 3s as scoring opportunities to enjoy instead of as obstacles to get through.

Trust your irons

Where the magic happens

There are few golfing experiences more magical than landing an iron shot next to the flag from within 150 metres. This is the zone in which your scoring clubs – #7 iron through PW – need to shine. It's also the zone where lie angle becomes even more important.

*Ball spin rate
increases as loft
increases.*

*An incorrect lie angle on your
higher lofted scoring clubs leads to
exaggerated spin in the wrong
direction. We want your ball
spinning on-axis so you can create
more magical moments into the
green.*

Let's make iron play fun

Once we've set your irons up for your physical stature, swing type and playing preferences, your iron play will be more effective and more fun! Let's build your trust in irons.
