From the club

It's the Month of Love and this week we ask Brent Goddard what he loves about TopTrack powered by Trackman...

Make sure you get out there and give it a try so you too can get to experience the enjoyment of this unique facility.

How would you like a pair of these shoes for FREE?

Get a friend to become a member of Zwartkop and we will give you a pair of HiTec Golf Shoes valued at R1390.

Star of the Week...

A massive shout-out to Linda Hayes who has been at Zwartkop for 20 years this month. She is the backbone of Zwartkop Catering and we think you will all agree that she not only does a great job but is hugely loyal to the Club and its members.

Race to the R&A 9-Hole Challenge

The second batch of four names (from 9-hole rounds played in January 2024) to go into the Club's pot for the Golf RSA's Race to the R&A 9-Hole Challenge are:

- Koos Goss
- Shaun Starbuck
- Gerhard Engelbrecht
- Hellen Roos

Remember that every 9-hole round that you play at Zwartkop until 31st March '24 will be entered into the Club's lucky draw. We will draw four names each month that will then go into our final Club Draw. At the Final draw two names will be drawn to go through to Golf RSA's regional lucky draw.

Out of interest sake, **Gerhard Engelbrecht** played the most 9-hole rounds in January.

If you make it all the way through, you could win a trip to The R&A 9-Hole Challenge at Royal Troon the Friday before the 152nd Open Championship. And, you will even receive tickets to 2 practice days and 2 championship days at The Open.

Make sure you start to register those 9-hole rounds!

Only Zwartkop members' rounds go into our Club draw, so get playing. Unfortunately no-one under eighteen will be able to win entry into the Regional Final Lucky Draw.

GolfRSA Race to the R&A 9 Hole Challenge at Troon 2024

The GolfRSA Race to the R&A 9 Hole Challenge is designed to encourage the playing of more golf through more people playing more 9-hole rounds more often!

Ask your Golf Director, Club Professional or Club Manager about how the GolfRSA Race to the R&A 9 Hole Challenge is going to be played at your Golf Club!

Play at your Golf Club and win entry into the Regional Final Lucky draw where all golfers have an equal chance of winning several great prizes – including a place in the National Final field.

Be one of the top two performing players at the National Final and win an all-expenses paid trip to Troon in Scotland to play in the R&A 9 Hole Challenge *and* attend the 2024 Open Championship!

Support your Golf Club and have a fun time playing 9!

Let us help you play better golf

This week Adam Lowther goes back to basics with your grip and gives you great practical advice to make sure you are gripping the club correctly.

Adam Lowther is the Assistant Teaching Professional at Zwartkop. You can contact him on 074-747-2030.

Remember to repair your pitchmarks!

Left for even the shortest time means it takes a lot longer for the greens – and fairway divots – to heal.

Make golf your Valentine

Love yourself and your game

While Valentine's Day is a celebration of romantic love, it can also be an opportunity to show yourself some love. With golf as your Valentine, you've got a partner that helps you to be the happiest, healthiest version of yourself.

Hitting a long drive down the middle, chipping in from around the green, holing a clutch par putt; these are the types of memories you'll make during a life with golf, but there's also the health and wellness perks to enjoy.

Spending time in nature does more than reduce stress and anxiety, it also makes you more mindful and aware. And taking that back into the other areas of your life makes you more resilient.

The 4- to 5-hours of walking you do over 18 holes burns up to 1,500 calories. That's almost the same amount of energy as running a half marathon, but a lot more fun.

For the love of the game

Let us know what you love about this wonderful game and we'll help you experience it more often.

The SA Amateur
Championship

The Proudfoot Trophy has a terrific history and is named after the second winner of the SA Amateur way back in 1893, Doug Proudfoot, who won 8 SA Amateurs in a row.

The Proudfoot Trophy is given to the winner of the two qualifying rounds for the SA Amateur.

Cleveland Launch

Halo XL

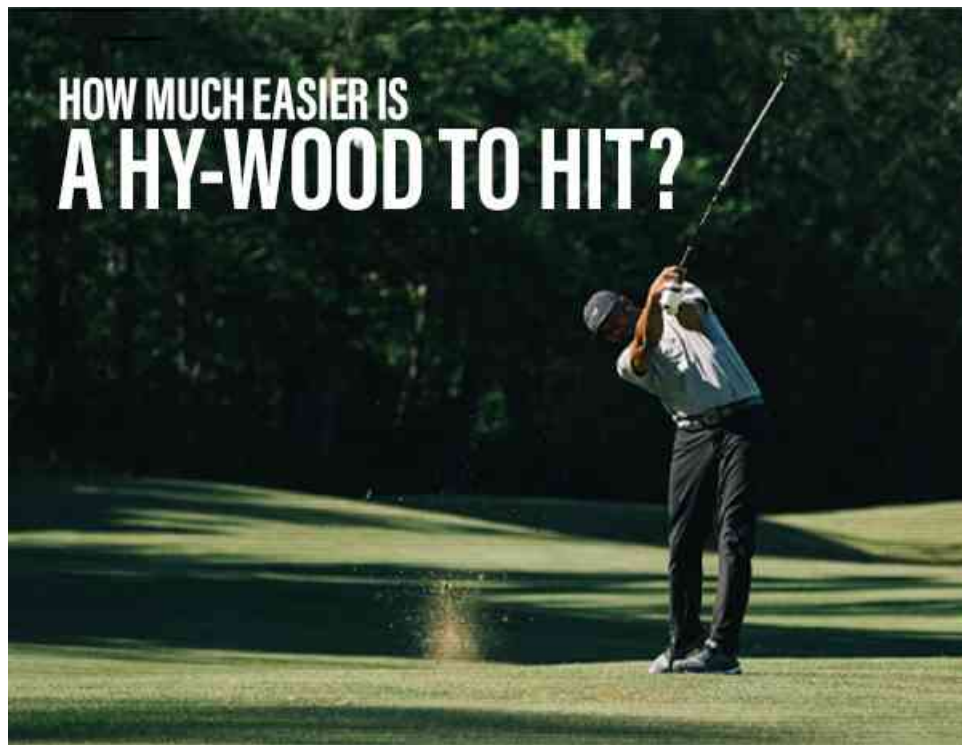

Many of you very rarely use a fairway wood off the deck because you lack confidence. It's a difficult shot. You give up distance and use a shorter club. Often a hybrid. A HY-WOOD gives you the easier use of a hybrid with the distance of a fairway wood.

What will you experience?

- Gains in distance that only a mainframe face designed by Ai can give you.
- The impact on power of a metalwood with two 'flex' zones to increase rebound speed and therefore ball speed.
- An easier launch (compared to a fairway wood) created by the smaller head with a lower CG (compared to a fairway wood).
- Less turf obstruction with an easier glide through the turf for cleaner contact.
- More spin on approach shots with your shorter clubs.
- A clubhead you get back to the ball, square at impact more often.
